The Punta Gorda Historic Mural Society (PGHMS) is currently raising funds for our

Punta Gorda Charlotte Library Mural

This 31st mural will celebrate the 111 year history of the library in Punta Gorda.

The concept is a combination of showing this history and the importance of the library to all ages, while presenting these elements in an interesting composition that will attract and hold the attention of young and old. The two pages of the large opened 'scrapbook' in the mural will include images and newspaper clippings of this history dating back to 1908.
